

# Career Opportunity

Broda Group of Companies is currently seeking

## **FULL TIME EQUIPMENT SERVICE TECHNICIANS**

to work in a fast paced, safety conscientious, energetic work environment with a strong emphasis on teamwork.

Founded in 1957, Broda Group of Companies is a growing Saskatchewan based Mining and Heavy Construction Company, with an operating equipment fleet of over 400 units and growing. Broda specializes in contract mining, infrastructure development involving heavy and civil construction and aggregate processing.

Located in beautiful central Saskatchewan, Prince Albert is a city with a population base of 46,000. Known as the "Gateway to North" Northern Saskatchewan offers abundant lakes and numerous outdoor recreational activities. Prince Albert is fast becoming the support centre of mining and construction opportunities in the uranium and diamonds resource sector.

The world's largest and richest reserves are located in central and Northern Saskatchewan.

Wages are competitive with industry standards complete with health benefit package, group RRSP contributions and work scheduling to balance quality of life.

### **Candidate's duties will involve;**

- Daily maintenance and service of heavy equipment on jobsites.
- Technician will work out of fully equipped lube truck with air operated product reels and oil recovery systems.
- Lube truck will have the basic tools for minor repairs and wear part change outs.
- Technician will complete daily service records representative to equipment serviced and attended to.

### **Requirements:**

- Previous experience with routine machinery maintenance and general knowledge of operation of heavy equipment
- Ability to speak, read, write and understand the primary language used in the workplace
- Ability to read and write to facilitate the communication process
- Ability to perform preventative maintenance repairs
- Ability to maintain focus on tasks at hand
- Ability to act upon observations and relate appropriate Company policies and procedures to situation
- Ability to work effectively and efficiently both independently and in a team environment
- Ability and flexibility to work varied shifts, including weekends
- Report to Maintenance Supervisor and site Superintendent

We are poised for growth and need your talent and expertise. If you are interested in this exciting opportunity please apply in confidence via fax, mail or email to:
